

# Voice of the Customer

LanguageLine  
Solutions®

We welcome all feedback and understand its importance as a true asset in the continual development of our services to you. LanguageLine Solutions established the “**Voice of the Customer**” or “**VOC**” program several years ago as part of a commitment to providing the high quality of language services that our customers want and deserve.

## Benefits of VOC include:

- Customer feedback assists with the development and continuous improvement of the solutions we provide
- Provides a speedy and efficient way to determine the ongoing quality of our services
- Helps us respond quickly to your requests, suggestions or compliments
